The Brookville High School After Grad Party is celebrating its 25<sup>th</sup> year of providing a safe, chaperoned, drug-free, alcohol-free, fun-filled night for their graduates.

At least 90% of our graduating seniors have participated in and benefited from the community support this program has received each year. Through the years, our committees have seen the difference the After Grad Party has made in the life of our young people. Car accidents are still the #1 killer of teens. The After Grad Party will provide them with a lifesaving, fun-filled activity that will last forever in their memories.

Preparations for our 268 graduating seniors in the Class of 2015 are now underway. We are working hard to host multiple fundraising events to raise money for this worthy activity.

Your contributions are considered vital for the success of our program this year. We thank you in advance for your contribution either through playing or as a sponsor.
